Organized August 5, 1952
Missile Launcher: Bob Swanson

October 2, 2006

Attendance: 18 Members, 17 Guests

TODAY'S PROGRAM

Mr. Rick Thurmond, Editor, The Charlotte Magazine.

Question: How many of you read the Charlotte magazine?

Question #2: How many of you are aware of a magazine called Charlotte? More hands than one would expect were raised in affirmative answer to both questions.

The Charlotte magazine was begun more than 10 years ago by George

Morgan, of Craftsman Printing fame - for whom our Past President Don Reid was a vice president at the time.

Charlotte magazine has a circulation of about 40,000. Its purpose is to "Show Charlotte in a Changing World," to show "How Charlotte fits in with world Events," and to show "How Charlotte Relates to the World."

Rick was a Key Clubber in high school, is a Davidson graduate, and an FSU fan!

Rick: why not renew your affiliation with Kiwanis and join our Club????

Thanks to Ron Law for arranging today's interesting and informative meeting.

ELAINE ADAMS

Wife of our District Secretary, Wayne Adams, is hospitalized. Something happened to cause her to become totally disoriented and confused, unable to speak, and unresponsive to any kind of treatment. They first thought it was a stroke; but the docs have all but ruled that out. As of this morning (Monday, 10/9) they're still trying to figure it all out.

Keep Wayne and Elaine in your prayers.

NEXT MEETING, MONDAY, OCTOBER 16

2 girls from Queens University will be on hand to talk about "Classroom Central." Sounds intriguing!

Be there!

Saturday, October 14 - COW CHIP DAY!

Let's have a good turnout - and bring MONEY from ticket sales!

10:00 AM in Sam McMahon's back yard: 5210 Carmel Road, at the corner of Carmel and Quail View Roads. Enter off Quail View Road.

Hamburgers, Hot Dogs, etc. will be served for lunch - thanks again to Frank Shepherdson.

If nothing else, come out for the good time and the fine fellowship.

THANKS from Swansons!

to all who have called sent cards, inquired, etc., about Helen's condition. She had surgery Wednesday, October 4, for a golf-ball size "mass" in her colon. It turned out to be fully enclosed; so the docs could remove a section and re-connect the ends. Sounds simpler than it actually was; but, very fortunately, the key was "fully enclosed." We are awaiting the lab report; but the surgeons said that there was no indication of cancer anywhere they could see, and reported that all went much better than they anticipated.

She's resting well, though not necessarily *comfortably* yet; but at least as well as can be expected after major surgery.

Prayer WORKS!

Meets 12:00 Noon, 1st & 3rd Mondays: Best Western Charlotte Uptown - 201 S. McDowell St.
