EDITOR'SNOTE

Forgive me, please! I intended to get this bulletin out a week ago. That was until I decided to take down a dead pine tree trunk. I had it all planned out properly(!), but the tree had other ideas. It did not fall the way I had planned - and I'll admit it was my own fault because of the way I cut it. Anyway, it fell the wrong way and part of it came back and smote me. So I'm nursing a broken collarbone.

My orthopaedic Dr. put me in a "Clavicle Splint" - which he believes will give it the support it needs to heal properly - - in several weeks time. No cast; no sling, no outwardly visible anything - which I observed does NOT get me much sympathy!

I HOPE to make the meeting next Monday.

Meets 12:00 Noon, 1st & 3rd Mondays: Crowne Plaza Charlotte Hotel - 201 S. McDowell St.
