TODAY'S PROGRAM

Blair Miller, WSOC-TV Anchor and Reporter was scheduled, but called in sick. But we had plenty to keep us occupied, anyway, what with getting our duck-rows lined up for the B-I-G day, June 2. Let's try again for Blair Miller.

DIDJAKNOW?

International Trustees and Officers are elected by the delegate body at the annual International Convention. The normal sequence of succession is from International Trustee to Vice President, then to President-Elect, and, finally, President, then (automatically) to Immediate Past President.

Trustees are elected to 3-year terms, and are not eligible for reelection. This year 2 Trustees so far have announced as candidates for International Vice President: Paul Palazzolo, of Illinois-Eastern Iowa District, and Pete Mihelich, of Missouri-Arkansas. Others COULD come out, but it's not likely at this late date.

Webster James, International Trustee from Carolinas District, has one more year on International Board. So presumably he will be running next year in Orlando for International Vice President.

What was the best thing before sliced bread?

How do they get deer to cross the road only at those yellow road signs?

Why do they put braille on those drive-through bank machines?

KIWANIS CD NEWS

This is a weekly publication, edited in our District Office by Leah Moretz, and sent via email to a select group - mostly Club and District Officers, etc.

Volume 3, Issue 31, of May 30, 2007, has a picture and sizable article about our Literacy Reading Project. Thanks to John Downey for his efforts in writing it and sending it in, and to Leah for publishing it.

I'll send a PDF file copy as an "Attachment" with this emailed Missile.
