"...the kids in my cul-de-sac who were at the event on Saturday were so touched by the project they went around the community and raised money for us. You can add \$12.75 to the total!"

----- email from John Downey

Editor's Note: That \$12.75 is more special to me than all the rest of the money put together! THANKS John and kids!

Cow Chip Report

If you still have moneys, please get them in as soon as possible, so we can wrap it all up. Across my desk so far has come \$11,961 from the "Cow" and \$1,400 from Golf. I know there is more yet to come in.

Expenses report so far total \$4,782.64, leaving us with a NET income of \$8,578.36 from this year's event.

If you've spent money for which you'd like reimbursement please tell me about it as soon as possible!

CHARITIES FISCAL YEAR

runs June 1 to May 31. So the Cow Chips project this year actually was spread over two fiscal years. I will prepare a consolidated report for the event; but income and expenses will be reported in both May and June Charities statements.
