TODAY'S PROGRAM

Jennifer Mayer, Campaign Director, The Leukemia & Lymphoma Society, Western Carolina Chapter.

This organization's purpose is to be a comprehensive support group for patients diagnosed with these diseases, often more commonly referred to as "blood cancer." It is also for caregivers of such patients. There are numerous chapters throughout the United States and Canada.

A wealth of information is available free of charge on their web site:

Our thanks to Jennifer Mayer for an informative and thought-provoking program.

L. Hunter Pharr

The Charlotte Observer on Tuesday, June 22 carried an obituary for this former member of the Charlotte Golden K Kiwanis Club.

Hunter was a very active member of that Club for several years, and, along with Past Lt. Gov. Larry Hazeltine, was the member most responsible, at the demise of that Club, for the Club donating almost all of its remaining charitable assets to our Pediatric Cancer endeavor (in excess of \$10,000).

THANKS, Hunter; and rest in peace. Hunter was 94.

NEXT KIWANIS WORLDWIDE SERVICE PROJECT

The announcement was made Thursday, June 24 at the International Convention in Las Vegas, NV.

It is to be a five-year, \$110 million effort to eliminate maternal and neonatal tetanus globally by 2015.

Once again, we will be "partnering" with UNICEF.

NEXT MEETING

Monday, July 12, usual time and place, plus Board meeting at 11:30 AM.

Since July 4 is on a Sunday, the first Monday in July is the legal holiday celebrating the birth of our country. So we decided July meetings would be July 12 and July 19.

Please enjoy the holiday week end!

MORE POINTS TO PONDER FOR 2010:

45. Good judgment comes from experience; and a lot of that comes from bad judgment.
46. How did I get "over the hill" without ever getting to the top?
47. Forbidden fruits create many jams.
