Members Recognitions

How well do you know your fellow Kiwanians? In August, 2012 our Club will observe its 60th birthday. A LOT has happened in 60 years! Like many organizations today, we were once a MUCH larger Club, having had about 150 members at one time. Today we number in the low 20's. But Mecklenburg Kiwanis has had a profound impact on the Community, with numerous charitable projects. For a brief synopsis of our Club's history, click on:

We have, of course, had a Club President each year. For a list of those who have served, click on:

This listing also indicates the names of District Officers (Lieutenant Governors) from Mecklenburg Club, as well as one International Officer (District Governor).

Kiwanis, at all levels, believes in recognizing members - and even non-members - who have contributed resources and/or talents over and above the call of duty. For a listing of members who have received such honors and/or recognitions from all levels - International, District, Division, and Club, click on:

(Actually, these URL's are on our Club web site.)

Next regular meeting: **Monday, April 2, 2012.**

More I've learned that:

8. The fattest knight at King Arthur's round table was Sir Cumference. He got that way eating too much pi.
9. I thought I saw an eye doctor in Alaska. But it turned out to just be an optical Aleutian.

Meets 12:00 Noon, 1st & 3rd Mondays: Villa Antonio Ristorante, 4707 South Boulevard
