Today's Meeting

Mostly discussing work schedules for preparing the site for our annual "Cow Chip Festival."

As many as can are to assemble on Thursday afternoon, September 25, 3:30 PM in the McMahons' back yard. If necessary another work session can be held Friday afternoon (next day) same time.

AND: recognized, and presented with a certificate, was Chet Helt for his 25 years as a Kiwanian. THANKS, Chet, for all your many and significant contributions to the work of Mecklenburg Kiwanis over all these years - including as President, 1993/1994. That makes Chet Helt a LEGION OF HONOR member (25 years or more in Kiwanis). Chet is 1 of 4 such members of our Club. Others: Fridell, McMahon, Swanson.

Web Site

If you haven't looked upon our web site lately, try it now:

<http://mecklenburgkiwanis.org/>

After you've scrolled down and enjoyed the opening page, choose from among the tabs on the left side. You'll find LOTS of info about our Club!

Clicking on the bottom tab takes you to the Kiwanis International web site tailored to our Club, and offers numerous additional choices. But, first, to open the page you need to input your username and password. If you haven't already established them, you need to register, using your email address for username, then a password of your choosing.

The next-to-the-bottom tab is a link to a web site on which you can access the current Mecklenburg Missile, any past Missile of your choosing, plus a Club membership directory.. The Bulletins are not restricted and do not require password. The Club directory, however, is intended for Club members only, and does require username and password to enter:

Username: [meckmbr](#)

Password: [club03871](#)

(The username is not case sensitive; but the password is. All lower case works just fine.)

Kiwanis Education!

Sometimes it pays to attend meetings!

Your Missile Launcher learned today that we no longer have - nor have we had for quite some time - our familiar Post Office box.

So if you send via US Mail anything of Mecklenburg Kiwanis origin. use a valid return address (your own, for example, would suffice nicely).

The box we had for many, many years was lately attracting very little activity. It was in the Post Office on McDowell Street; and we haven't had any member(s) convenient to visiting that location for a long time. Not only that, but recent rate increases made it prohibitively costly and an unnecessary expense.

Next Meeting

Monday, September 22.
We'll be working out final arrangements for "Cow Chip Day" - Saturday, September 27.

Come prepared to turn in your ticket money AND commit some of your time and talent to "running the show."

Meets 12 Noon, 1st and 3rd Mondays - Fairview Plaza Restaurant, 5950 Fairview Road, 28210
